The Columbia River Basin Chapter (CRBC) of PMI® is proud to announce its next PMBOK 4 PMP™ certification class.

Using a professionally developed curriculum taught by experienced PMI® Project Management Professional (PMP™) certified volunteers from the Columbia River Basin Chapter, this course offers a rich, multi-media training experience to students preparing for the PMI® PMP™ exam. Students receive a student workbook, an exam preparation manual, and three months of access to website testing tools.

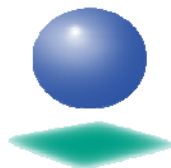

Completion of the class earns students 27 hours towards the PMP certification education requirement.

CURRICULUM

Developed by Velociteach (velociteach.com) specifically for PMI® chapters, this curriculum is based on the 4th Edition of PMI's PMBOK and includes the following 17 modules.

- Introduction and the Exam
- Foundational Concepts
- PMI's Framework
- Integration Management
- Scope Management
- Time Management
- Project Network Diagramming
- Cost Management
- Earned Value Management
- Quality Management
- Human Resource Management
- Communications Management
- Risk Management
- Procurement Management
- Professional Responsibility
- How to Pass the PMP
- Simulated PMP Exam
